

# EZY-change CLIP-IN NUMBERS

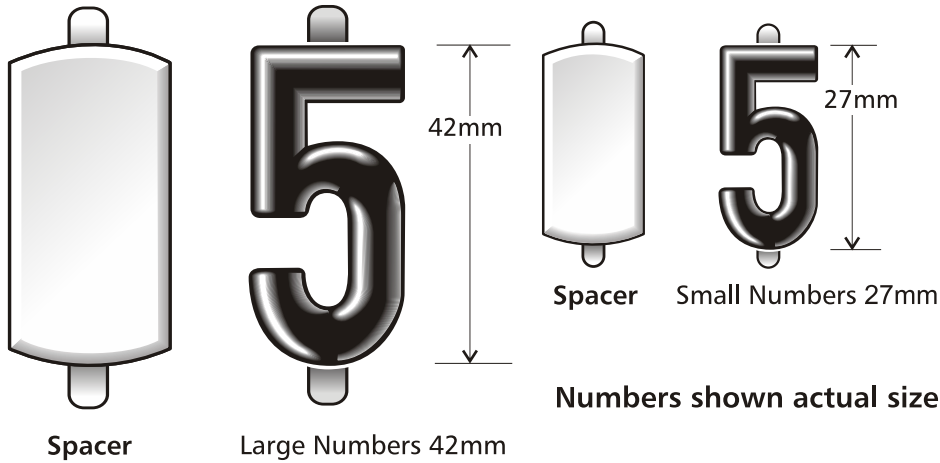

Our **EZY-change** numbers are made from a flexible heat resistant plastic. They come in two sizes - Large 42mm and Small 27mm. 'Spacers' are used to fill in the vacant price holes, which make pricing easier to read. Colours - Red, Black, White, Pink & Gold.

To insert numbers put lower tab into lower hole. Bend top tab and push through hole until it 'clicks' into position.

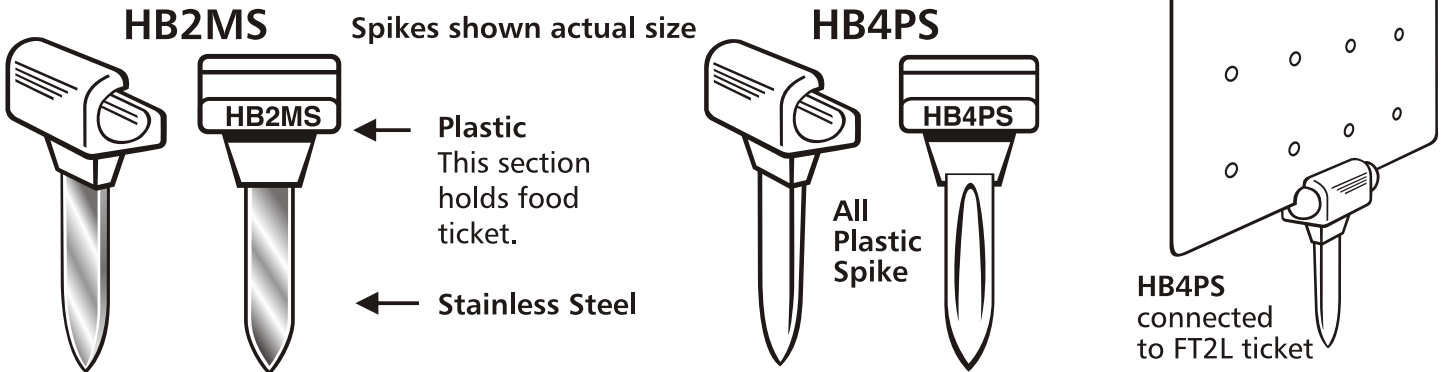

To remove numbers bend "tab" and push through.

# SPIKE ATTACHMENTS

Both the **HB2MS** and the **HB4PS** spike attachments have a regulation spike length of 25mm. The **HB2MS** spike is made from stainless steel and the **HB4PS** has a plastic spike. Colours - White, Black and Natural.

# SPIKE TICKETS

Spike length is 25mm on all sizes.

Also available in Heat Resistant quality Colours - Black & White
